

Hello All!!

I hope that you are enjoying the beautiful summer sunshine! I am reaching out to you in hopes of your continued support and talent. I am sure you are aware of the fleece blanket/hat/scarf out-reach project that Zion has been involved with the last two years.

Last year Zion was able to donate: 39 blankets, 83 scarves, 28 hats, 31 ear warmers, three mittens and five sets (hat/mitten/scarf). In an effort to match and even surpass those totals, I'm wondering if we start to think about this project a little earlier this year. This project is open to anyone who is interested in participating- friends and family!

It has also been suggested that people may want to sponsor a blanket; providing the money to needed to purchase the fleece for the project. This year we will be open to accepting donations for this sponsorship. It takes four yards total to make a blanket costing approximately \$40 per blanket. People are welcome to sponsor a completed blanket or any funds toward a completed blanket.

In these initial days of organizing, I am trying to gather names and contact information of people who would be interested in participating.

Please feel free to respond to this email, call or text me at 440-225-4520 and let me know if you would be interested in helping again this year and the best way to contact you (phone call, email or text message).

Once I have an idea of how large our group is going to be, I can organize and send out more information.

Again, thank you for your continued support!
